Re: Armed Home Invasion

On Sunday June 10, 2012 at approximately 8:00pm a 55 year old Westminster resident came to the Westminster Police Department to report an armed home invasion. The victim reported while at home at approximately 7:00pm a male and female suspect entered his home and demanded money. The victim complied and gave them cash from his wallet. The suspects then tied the victim's hands behind his back and tied his legs to a chair he was told to sit in. The suspects also took the victim's telephone before leaving. The victim was not injured and was able to free himself within moments of the suspects leaving.

The male suspect was armed with a baseball bat and described as approximately 6 feet tall, slim to medium build with a deep voice. He estimated the male was in his early twenties. He was wearing a dark colored hooded sweatshirt with the hood pulled over his head and a dark colored bandana covering the lower half of his face and was wearing sunglasses.

The female was armed with a knife and described to be wearing the same clothing along with dark colored pants, not jeans. Same approximate age and same type of bandana worn as the male suspect.

Evidence was collected from the scene for processing and an investigation is on-going.
